  - **The benefits to members will be £1 off the entry price for all events. We will also try to encourage visiting bands who bring CDs for sale to offer members a discount.**
  - **The new membership runs from January 2009 and the membership rate is £15 for the year. New members joining after that date will be charged for the remaining part of the year (calculated at £1.25 per remaining month).**
  - **The normal (non-member) entry fee from January 2009 will be £6, although we may need to charge a higher rate for some 'high profile' nights.**
  - **Existing members who want to rejoin pay a reduced rate of £10 for 2009, to compensate for the short programme in 2007/08.**
